

## One-year or two thousand five hundred Hours Stationary Prime Power Warranty

This SDMO Prime Power Generator System has been manufactured and inspected with care by experienced craftsmen. If you are the original purchaser, the SDMO manufacturer warrants for one year or two thousand and five hundred (2500) hours, whichever occurs first, that the system will be free from defects in material and workmanship if properly installed, maintained and operated in accordance with SDMO instruction manuals.

This warranty is not effective unless a proper warranty registration form has been sent to the SDMO manufacturer on the date of Distributor-Supervised Start-up.

During the warranty period, repair or replacement at the SDMO manufacturer's option will be furnished free of charge for parts, provided an inspection to the SDMO manufacturer or an Authorized Service Station if requested. This warranty expires One year after date of start-up, or after 2 500 hours operation, whichever occurs first.

This warranty does not apply to malfunctions caused by damage, unreasonable use, misuse, or normal wear and tear while in your possession.

The following will not be covered by this warranty :

|  |   |
|--|---|
