

Two-year or One Thousand Hours Stationary Standby Limited Warranty

This SDMO Standby Generator System has been manufactured and inspected with care by experienced craftsmen. If you are the original purchaser, the SDMO manufacturer warrants for two years or one thousand (1 000) hours (limited to 500 hours per year), whichever occurs first, that the system will be free from defects in material and workmanship if properly installed, maintained and operated in accordance with SDMO instruction manuals.

This warranty is not effective unless a proper warranty registration form has been sent to the SDMO manufacturer on the date of Distributor-Supervised Start-up.

During the warranty period, repair or replacement at the SDMO manufacturer's option will be furnished free of charge for parts, provided an inspection to the SDMO manufacturer or an Authorized Service Station if requested. This warranty expires two years after date of start-up, or after 1 000 hours operation or after 500 hours operation during the first year, whichever occurs first.

This warranty does not apply to malfunctions caused by damage, unreasonable use, misuse, or normal wear and tear while in your possession.
